EDUCATION

2020 - 2022
Graphic Design
Santa Monica College

2022 - 2023
UX Design / Web Design
Santa Monica IXD Program

EXPERTISE

- Web / UX Design
- Branding (Logos, Strategies, etc.)
- Graphic Design (Posters, Menus, etc.)
- AI Integration (n8n)

WORK EXPERIENCE

2021 - 2023
Freelance Graphic Designer
Location: Los Angeles California

Owner & Graphic Designer

I started freelance Graphic design on my own, with the help of YouTube and my teachers. While still in school, I learned the fundamentals of design before moving on to other aspirations and projects.

2022 - 2024
Web Development & Branding
Location: Los Angeles California

Owner & Web Developer

I learned while also doing freelance graphic design, how to help brands prosper. I worked with my first assembled team, to create holistic brand visions as well as brand related websites.

2024 - Now
Ai & Freelance Design
Location: Los Angeles California

Web Dev, Graphic Des, & AI Automations

I have learned the latest and greatest AI technology to help businesses automate their processes and save thousands of dollars hiring others to do simple jobs, while also continuing my work as a designer.
